Night of musical theater to showcase talent of local youth, benefit charity

SAN DIEGO - Clairemont Lutheran Church / Iglesia Luterana Clairemont, in partnership with the San Diego Choristers Guild, presents the 13th Annual Youth Musical Theater Camp. This year's production is entitled "Malice in the Palace: The Story of Esther."

"Our annual Summer Music Camp gives children the opportunity to explore their interest in musical theater at a very low cost, with very high quality, in a Christian atmosphere," says Katy Lundeen, director of the camp and Director of Youth Music & Drama Ministries at Clairemont Lutheran Church. "The staff are experts in their fields of music, drama, dance, and technical theater."

Participants in this year's Youth Music Camp will take part in daily workshops in acting, singing, stage makeup, set design, and much more. Children from 2nd to 9th grades will then perform in the fully costumed and staged musical, while older teens participate in lighting and running the show. Children and teens of all abilities, including those with special needs, are welcomed to Youth Music Camp each year..

The community is invited to attend the musical performance on Friday, July 27th at 7:30 p.m. at the church. Admission is a boxed or canned food item. Food donations are in support of Community Christian Services Agency (CCSA), which provides emergency food and other services to individuals and families in need throughout San Diego County.

###

Since 1954, Clairemont Lutheran Church / Iglesia Luterana Clairemont has been a community of faith characterized by Grace, Mercy, and Love. All who have heard the teaching, preaching, and singing that happens here have heard words of forgiveness and peace. All who have visited the church campus in need have been fed, clothed, and cared for. All who have walked through these doors have encountered a relationship with a loving God and a loving group of people. Grace... Mercy... Love... this is Clairemont Church; a member congregation of the Evangelical Lutheran Church in America.
